Mrs. F. M. Jones, of Palmer, Okla., writes: "From the time I entered into womanhood . . . I looked with dread from one month to the next. TAKE

# CARDUI

The Woman's Tonic

"I took four bottles," Mrs. Jones goes on to say, "and was not only greatly relieved, but can truthfully say that I have not a pain."

"It has now been two years since I took Cardui, and I am still in good health. . . I would advise any woman or girl to use Cardui who is a sufferer from any female trouble."

If you suffer pain caused from womanly trouble, or if you feel the need of a good strengthening tonic to build up your run-down system, take the advice of Mrs. Jones. Try Cardui. It helped her. We believe it will help you.

# PREMIER

IN A WAY, this aluminized, magnetically-shifted Premier may be regarded as America's new delegate to the world's congress of fine cars. Until now Europe has held leadership in the fine car field simply through default of competition. Current with the appearance of this American contender, that condition is ended.

It represents a new conception of how truly beautiful a mechanical thing may be; and in the same breath, it discredits precedent on the limit to which human patience may be strained in perfecting detail down to the last minute touch. Premier is microscopically fine. Its possession instantly stamps its owner as an advanced thinker.
